PRESENTING:

EASYHEAT®

TOPIC

Winter is Coming... Why Freeze?

Protection and Gota De-icing From EASY HEAT

GUEST SPEAKERS: DAVE MILLER & ERIC VOGLESONG

POLLART ELECTRICAL SALES

Dave and Eric from Pollart Electrical Sales will review pipe freeze protection, gutter protection, as well as drive and walkway protection. Understand what products to use in certain applications. Earn extra \$\$ before the winter months hit!

Easy Heat pipe freeze protection solutions for residential use protect water supply and drain pipes from damage due to freezing temperatures. Learn about their multi-sensor snow melting control capable of monitoring snow and ice accumulation in three separate zones and sending independent control signals to each zone: one signal for the sidewalk, one for the driveway, and one for the gutters and downspouts.

NEC Update

Stan Alzman, United Inspection Agency
