What is all the BUZZ about?

You might have heard the growing media buzz about LED lighting. Most of that is because of LED's ability to deliver unprecedented levels of energy savings while still delivering optimal illumination. Come and learn about the benefits of LED and how it can **SAVE YOUR CUSTOMERS MONEY AND SAVE ENERGY. IT'S ALL ABOUT EFFICIENCY.**

Taylor Rightmire and Kim Johnson will discuss the latest in LED technology, what to look for when selecting a quality manufacturer and a peek at what the future may hold for lighting. They will also discuss the features and benefits of the newest offering among the Acuity Brands family of LED indoor products. It's not just knowing how to install fixtures. Customers love when you give them ideas. Check out their extensive line of indoor ambient LED lighting fixtures with integrated control solutions.

Also, say hello to **Stan Alzman** with **United Inspections**. Bring your Code questions, and **Stan** will be happy to answer them!
