

Discover how PECO Smart Equipment Incentives can save your customers money and help your business grow

Trade Ally Workshops

If you provide energy efficiency services or products to commercial, industrial, governmental, institutional, or non-profit customers, join us at one of our trade ally workshops.

PECO is offering new energy efficiency and demand reduction programs that can save your customers money...while having a powerful and profitable impact on your business.

PECO Smart Equipment Incentives, launching in March, feature a range of incentives on energy-efficient equipment, processes, and opportunities to commercial, industrial, governmental, institutional, and non-profit customers.

What will you learn at these Trade Ally Workshops?

- How PECO Smart Equipment Incentives program will work and what incentives will be offered
- How you can leverage our new programs to add valued services to your business and help your customers save money on their electric bills
- How you can grow your business by becoming a trade ally in our PECO Smart Ideas for Your Business program
- How you can help your customers take advantage of our incentives

You will have the opportunity to meet program staff and attend breakout sessions with technical information specific to your type of product or service.

To register online, go to

<https://websafe.kemainc.com/PECO>

or complete the attached registration form and **fax to 215-996-3982**, or call 1-866-371-9343.
