Rebate Eligibility:

- You currently receive electric service from PECO and are replacing your existing Heating/Ventilation/Air-Conditioning (HVAC) equipment with qualified electric HVAC equipment.
- You are currently a PECO Natural Gas customer replacing existing natural gas HVAC equipment with ENERGY STAR qualified HVAC natural gas equipment.
- New construction is not eligible.
- Purchase and install qualifying HVAC equipment in your residence between **July 1, 2009 and May 31, 2011**. Equipment purchases and installations prior to July 1, 2009 do not qualify for a rebate.
- Additional equipment qualification information can be found at www.peco.com/SmartIdeas, or call 1-888-5-PECO-SAVE (1-888-573-2672).

How to Apply:

- Mail completed and signed rebate form and receipt to:
PECO Smart Home Rebates
PO Box 40088
Portland, OR 97240-0088
- Keep a copy of your rebate form, Terms and Conditions and receipt for your records.

Terms and Conditions:

1. To be eligible for a rebate, residential customers replacing electric equipment with qualified electric equipment must receive electric service from PECO. Customers replacing natural gas equipment with qualifying natural gas equipment must be PECO natural gas customers. The HVAC equipment installed must be new qualifying HVAC equipment. A rebate form must be completed for each service address.
2. The program term is July 1, 2009 through May 31, 2011. HVAC equipment purchases and installations prior to July 1, 2009 do not qualify for a rebate. Customers must provide a dated, paid receipt to be eligible for a rebate.
3. Documentation must include the completed, signed rebate form and a dated, paid receipt that lists the contractor name, address, phone number, equipment make, complete model number, installation date and efficiency information. The forms must be sent to PECO and postmarked by July 15, 2011 to be considered eligible for a rebate payment. Rebates are processed, generally, within 4-6 weeks of receipt of your rebate form. If your equipment is selected for verification, processing may take additional time. An incomplete rebate form cannot be processed and you may be contacted by phone, mail or e-mail to complete this form. PECO may contact the customer's installer to confirm HVAC equipment installation and/or customer to verify rebate information.
4. Customer, if requested, agrees to grant PECO or a PECO representative access to the installation site to verify the installation of the HVAC equipment. If customer refuses a PECO request for access to verify installation, PECO has no obligation to provide the customer a rebate.
5. Selection of qualifying equipment, manufacturer, dealer, supplier and/or installer and purchase, installation and ownership/maintenance of the qualifying equipment referenced in the rebate form are the responsibility of the customer. PECO does not endorse any specific manufacturer, dealer or contractor and makes no representations regarding specific manufacturer, dealer or contractor or their workmanship. PECO also makes no warranty for the use of the HVAC equipment. By participating in this program, customer agrees that PECO has no liability concerning the quality, safety and/or installation of the HVAC equipment, estimated energy savings of the HVAC equipment, workmanship of any third parties, installation or use of any HVAC equipment.
6. Customer is responsible for meeting program requirements and complying with state, county and city governments, property owners and/or homeowner's association requirements regarding restrictions, codes, ordinances, rules and regulations concerning the HVAC equipment installation.
7. PECO is not responsible for items lost or damaged in the mail.
8. Funds are limited and subject to availability.

ENERGY STAR and the ENERGY STAR mark are registered U.S. marks
